

A NEW SPIN ON STACK 'N WHACK

Barbara Vallone

Start with a large print, add three other fabrics and end with an amazing quilt. Students will bring or buy their choice of fabrics, learn how to Stack 'n Whack their pieces, and understand the concepts of sewing Stack 'n Whack blocks. By the end of class, students will know how to successfully make this quilt top and have enough information to try a few options on their own. **Pattern included.**

*Saturday, May 22
9:30am to 3:00pm*

OR

*Wednesday, June 30
10:00am to 4:00pm
\$42.00*

BEGINNING QUILTING ~ CUTTING & PIECING SIMPLE BLOCKS & QUILTS

Barbara Vallone

This is a good class for brand new quilters who have NEVER used a rotary cutter or made a quilt block, however, each student MUST be comfortable using their sewing machine. Learn the basics of rotary cutting, and quilt block piecing, plus how to put a simple project together. Students will piece a small table runner or wall hanging in class with some homework.

*Friday, May 21 and 28
10:00am to 1:00pm*

OR

*5:00pm to 8:00pm
\$42.00*

BINDING BASICS

Barbara Vallone

Come learn four basic binding variations. Students can try all four and then they can begin to make the binding of their choice for their next quilt project.

Friday, August 20

5:00pm to 8:00pm

\$21.00

NEW CLASS...NEW TECHNIQUE!!

COLOR SHUFFLE

Elaine Linn

Now you can broaden your quilting repertoire with a new "stack and shuffle" technique. Different-sized squares somersault down undulating paths created by wavy half square triangles. You'll love this sneaky and simple technique.

Fridays, May 7 and 21

5:00pm to 7:30pm

\$35.00

FREE MOTION QUILTING FOR CHICKENS

Jennifer Janzer

Are you afraid to free motion quilt? Did you try it once and that was enough? Well it's time to try again! Learn some unconventional machine settings, then practice free motion designs you never thought you could quilt. Your confidence will grow by the minute with the right tools and tips! Knowledge of you machine is required.

Monday, August 16

5:00pm to 8:00pm

\$21.00

HAND QUILTING BASICS

Barbara Vallone

Learn the basic concepts of hand quilting – when you should do it, where to begin, what you need to do to stop, why stitches should be even, how to mark and decide on designs. Students will work on a small project of their choice that they bring to class. Supply list will give directions for making and basting this project.

Monday, July 12
2:00pm to 4:00pm
OR
5:30pm to 7:30pm
\$14.00

INCHIES

Christy Schliesmann

Did you ever think you could make a one-inch quilt? You will amaze friends when they see what you've done with fabrics and embellishments. Even you will be amazed at how differently fabrics will look with this quilt method.

Wednesday, June 30
5:00pm to 8:00pm
OR
Monday, July 7
5:00pm to 8:00pm
\$21.00

LAYERED WAVES **Christy Schliesmann**

Catch the wave and learn the Karen Eckmeier technique of making free-form curves with your rotary cutter. Sounds like fun! We'll do a basic project that will spark your creativity to try a more complicated one. This is a two-part class.

Monday, August 18 and 25
5:00pm to 8:00pm
\$42.00

MACHINE QUILTING INTRO **Chris Koschnitzke**

Move beyond stitch in the ditch. Graduate to channel and grid quilting then move right into free motion writing, feathers, stones, trees and lots of other neat patterns. You'll have more fun than you ever thought possible! MUST HAVE: free motion foot AND walking foot to take the class.

Tuesday, May 18
1:00pm to 4 :00pm
OR
Monday, July 26
5:00pm to 8:00pm
\$21.00

MAKING BLOCKS AND PIECING THE TOP **Barbara Vallone**

This is a good class for any quilter who wants to learn how to choose fabrics, how to accurately piece quilt blocks, and how to decide what to do with these blocks. Students will piece three or four blocks of three different patterns and can use these nine or twelve blocks in a project of their choice.

Fridays, June 11 & 18, July 16, & August 6
10:00am to 1:00pm OR 5:00pm to 8:00pm
\$63.00

MCTAVISHING **Rosie LaMantia**

This type of machine quilting was created by Karen McTavish. It is used to fill in backgrounds to create a wonderful texture to your quilt. Through a series of exercises you will learn how to do the seven basic quilting styles and in doing so you will be able to develop your own unique style.

Thursdays, July 22 and 29

10:00am to 12:30pm

OR

Fridays, August 13 and 20

5:30pm to 8:00pm

\$35.00

MOONLIGHT MADNESS MYSTERY QUILT! **Barbara Vallone**

The week near a FULL MOON is the best time to dive into the world of Mystery Quilts. Students get clues (directions!) in June; more clues in July; and the Mystery will be solved in August. Sewing is done at home to make this an easy, affordable adventure! Patterns are included in class price.

Thursdays, June 17, July 22, and August 19

2:00pm to 3:00pm OR 5 :00pm to 6:00pm

\$21.00

SANDY'S UFO **Sandy Schoettler**

Are there any of you out there that have taken any of Sandy's classes and haven't finished your project? UN-FINISHED – or otherwise known as UFO. This is your chance to finish that project with Sandy's help. Just bring what's needed to finish the project and don't forget the instructions.

Friday, June 25

5 :00pm to 7:30pm

No charge; register required.
