HOLIDAYS AT HOME
CHRISTMAS BLOCK OF THE MONTH

Create an elegant home accent quilt for the holidays. Complete this beautiful quilt at a leisurely pace in time for holiday entertaining, decorating, or even a very special gift! The fabric collection, by Faye Burgos, is built on her popular "Holidays" collections of previous seasons with rich, festive red and green. Classic motifs include lush florals to cardinals, a beautifully detailed diagonal stripe, holiday greetings, and more.

This wonderful sampler-style quilt incorporates the entire collection including the large floral suggested for the backing. The project features Vicki Bellino's exclusive tricks & tips using the Strip-It print in the collection! Her clever piecing methods are perfect for all skill levels, making it both fun and educational to complete, and the blocks can even be customized by the quilter for a one-of-a-kind look.
